**Club for Boys' Members Head Back to School with Supplies**

RAPID CITY -- Over 250 boys were at The Club for Boys today to win school supplies by participating in the Club's annual Back-to-School Carnival. Boys played games, including flying paper airplanes through a hoop from behind a desk and throwing an eraser at a chalkboard target, in order to earn tickets to buy school supplies.

"With classes starting in a few weeks many families are faced with the added cost of buying school supplies on top of every day expenses," said Mark Kline, Club Director. "Thanks to the generous donations of individuals and businesses in the community many boys will leave the Club for the summer with all the supplies they need for the first day of school."

When they won a game, boys received tickets that they could use to purchase school supplies. There were also 25 backpacks that were stocked with notebooks, pencils, pens, crayons, folders, glue sticks, a ruler, binder, pencil folder, eraser, and pencil sharpener, all of which was donated by Office Depot and its employees.
